**HELP US MAKE AND DISPLAY 20,000 ORIGAMI BOATS
AND RAISE \$200,000 FOR GIST RESEARCH**

GIST Awareness Day was created by the Life Raft Group to help address the lack of education and recognition surrounding GIST (Gastro Intestinal Stromal Tumors)- a rare cancer of the GI tract- and help break down the barriers to funding, research, treatment and diagnosis that this causes. To raise awareness among the general public about GIST we are attempting to break the Guinness World Record for largest display of origami boats among other activities at this fun family festival.
