

# UNDERSTANDING THE INTRIGUE CLINICAL TRIAL

We invite you to join us for an educational webinar, Understanding the INTRIGUE Clinical Trial, presented by Deciphera Pharmaceuticals, Inc. in partnership with the Life Raft Group on **Monday, July 15, 2019** from **4:00 PM - 5:00 PM ET.**

Deciphera Pharmaceuticals, Inc., located in Waltham, Massachusetts, is a biopharmaceutical company with a robust oncology pipeline and a focus on improving the lives of cancer patients by delivering key mechanisms of tumor and drug resistance through its proprietary kinase switch control platform.

## During the webinar, Deciphera will provide education on the following topics:

1. Overview of Deciphera Pharmaceuticals, Inc.
2. Understanding gastrointestinal stromal tumors (GIST)
3. Current treatment options for GIST patients
4. Overview of the INTRIGUE clinical trial

Featuring Deciphera's  
Key External Physician,  
Dr. Jonathan Trent

We are looking forward to providing this educational webinar and hope you are able to join us!
